

Federal Acquisition Regulation

4.1103

name agreements in Subpart 42.12, the contractor shall provide the responsible contracting officer a minimum of one business day's written notification of its intention to change the name in the CCR database; comply with the requirements of Subpart 42.12; and agree in writing to the timeline and procedures specified by the responsible contracting officer. The contractor must provide with the notification sufficient documentation to support the legally changed name.

(ii) If the contractor fails to comply with the requirements of paragraph (g)(1)(i) of the clause at 52.204-7, Central Contractor Registration, or fails to perform the agreement at 52.204-7(g)(1)(i)(C), and, in the absence of a properly executed novation or change-of-name agreement, the CCR information that shows the contractor to be other than the contractor indicated in the contract will be considered to be incorrect information within the meaning of the "Suspension of Payment" paragraph of the EFT clause of the contract.

(2) The contractor shall not change the name or address for electronic funds transfer payments (EFT) or manual payments, as appropriate, in the CCR record to reflect an assignee for the purpose of assignment of claims (see subpart 32.8, Assignment of Claims).

(3) Assignees shall be separately registered in the CCR database. Information provided to the contractor's CCR record that indicates payments, including those made by EFT, to an ultimate recipient other than that contractor will be considered to be incorrect information within the meaning of the "Suspension of payment" paragraph of the EFT clause of the contract.

4.1103 Procedures.

(a) Unless the acquisition is exempt under 4.1102, the contracting officer—

(1) Shall verify that the prospective contractor is registered in the CCR database (see paragraph (b) of this section) before awarding a contract or agreement;

(2) Should use the DUNS number or, if applicable, the DUNS+4 number, to verify registration—

(i) Via the Internet at <http://www.ccr.gov>;

(ii) By calling toll-free: 1-888-227-2423, commercial: (269) 961-5757, or Defense Switched Network (DSN) (used at certain Department of Defense locations): 932-5757; or

(iii) As otherwise provided by agency procedures; and

(3) Shall modify a contract or agreement that does not already include the requirement to be registered in the CCR database and maintain registration until final payment, and whose period of performance extends beyond December 31, 2003—

(i) To incorporate, as appropriate, the clause at 52.204-7, Central Contractor Registration, and its Alternate I, or, for a contract for commercial items, an addendum to 52.212-4, Contract Terms and Conditions—Commercial Items, that requires the contractor to be registered in the CCR database by December 31, 2003, and maintain registration until final payment; and

(ii) In sufficient time to permit CCR registration by December 31, 2003.

(b) Need not verify registration before placing an order or call if the contract or agreement includes the clause at 52.204-7, or 52.212-4(t), or a similar agency clause.

(c) If the contracting officer, when awarding a contract or agreement, determines that a prospective contractor is not registered in the CCR database and an exception to the registration requirements for the award does not apply (see 4.1102), the contracting officer shall—

(1) If the needs of the requiring activity allow for a delay, make award after the apparently successful offeror has registered in the CCR database. The contracting officer shall advise the offeror of the number of days it will be allowed to become registered. If the offeror does not become registered by the required date, the contracting officer shall award to the next otherwise successful registered offeror following the same procedures (*i.e.*, if the next apparently successful offeror is not registered, the contracting officer shall advise the offeror of the number of

4.1104

days it will be allowed to become registered, etc.); or

(2) If the needs of the requiring activity do not allow for a delay, proceed to award to the next otherwise successful registered offeror, provided that written approval is obtained at one level above the contracting officer.

(d) Agencies shall protect against improper disclosure of contractor CCR information.

(e) The contracting officer shall, on contractual documents transmitted to the payment office, provide the DUNS number, or, if applicable, the DUNS+4, in accordance with agency procedures.

4.1104 Solicitation provision and contract clauses.

Except as provided in 4.1102(a), use the clause at 52.204-7, Central Contractor Registration, in solicitations and contracts. If modifying a contract or an agreement to require registration, use the clause with its Alternate I.
